Terms of Use

The following are the terms and conditions ("Terms") for use of the *Domus Analytics* products (the "Software") provided by Domus Analytics ("Provider") as deployed with your MLS, Association or other licensing group ("Sponsor"). Please read these terms and conditions carefully before accessing the Software. Any access or use of the Software constitutes your acceptance of the Terms.

The Software includes but is not limited to *Domus Market Insights*, *Domus Weekly Trends*, and *Domus Pricing Insights*, and integrates certain real estate listing data ("MLS Data"). Collectively, the Software and MLS Data are referred to as the "Licensed Materials."

1. License

Subject to these Terms, Provider grants to you a limited, non-exclusive, non-transferable license to access and use the Licensed Materials for your business purposes related to the facilitation of real estate transactions. This license does not include the right to grant access to the Licensed Materials, directly or indirectly, to any third party. This license shall automatically terminate if you violate the Terms, and may be terminated by Provider or Sponsor at any time for any reason.

2. Restrictions

You agree that you will not:

(i) use the Licensed Materials for any unlawful purpose,
(ii) access or attempt to access data not intended for your use, or which you are not authorized to access,
(iii) attempt to, or actually, circumvent the Licensed Materials' security, or any means to control access to the Licensed Materials, or
(iv) reverse engineer or decompile any of the Licensed Materials or any part of it.

3. OWNERSHIP

You acknowledge that your Sponsor has licensed the Software from Provider and that Sponsor's provision of the Licensed Materials is contingent upon continued existence of such license. Sponsor may terminate provision of the Licensed Materials to you at any time. You acknowledge that the Licensed Materials are protected by copyrights, and other intellectual property rights, which are owned and controlled by Sponsor or by third parties that have licensed their products to Sponsor. Sponsor owns and holds all right, title, and interest in and to the MLS Data.
